

## Supervision of Students - Information for Parents

Supervision of students at St. Malachy's is provided from 8.30am until the last student is collected or has departed from the school.

School Buses start arriving at the School from 8.35am and bus supervision is covered from 8.30am onwards.

Supervision is provided by staff at all break times during the day including morning and afternoon break and lunch.

Again, bus supervision happens in the afternoon from 3.25pm to the students are on the buses and the last students are collected by parents. The School has in place travel checklists to ensure all students have departed the school.

This information will be communicated to parents at the beginning of the year, reminders in school newsletter at regular intervals and Parent Handbook.
